How was leading Armed Exhibition in the first virtual drill meet?

“It felt great!! They have been working so hard towards this meet; It was great to see them excited before and after the competition. I am super proud of how far they’ve come this year!” - *Brandon Burke*

Annual Military Inspection

On December 15th, the unit participated in our Annual Military Inspection. Huge thank you to the new superintendent, Dr. Barber, for attending our event! We were able to show off how great our unit really is!

How did you feel as one of the departments being inspected at AMI?

“It was a little scary at first because we weren’t sure what to expect, but we had everything prepared for the inspector. My team was such an amazing help during the whole process and I’m really happy with our great review.”

- Jenna Bottcher: Admin Officer

The unit stood inspection then gathered to perform a ceremony known as “Pass and Review.”

Department Heads went on to brief an inspector on everything about their departments.

Christmas Spirit!

Public Affairs Assistant, Crystal Cong, decorated our door for the National Art Society's Door Decorating Contest! Her design won us 2nd place in the competition!

We also decorated the classroom to add some Christmas cheer!

Wyatt Dillon went 5-0 at his last wrestling meet placing himself in 1st place. Dillon is now working to qualify for state!

"I feel that I have been putting in the work to reach states and become a medalist. I am excited to face hard opponents but would like to emphasize that the hardest opponent to work against is yourself, to put in the work everyday and to keep pushing when your tired." - *Wyatt Dillon*

UWF Orienteering Meet – February 6th

We had an amazing month. As a unit, we showed off at AMI, then went on to win the Area 8 Orienteering Championship! All the hard work we have been putting in this year is starting to be recognized. As we end the first semester, demand that you make your second semester better. Let's absolutely crush in the second semester.

Even though we had another short month, I'm proud of the work we put in before Christmas break. You all did great at AMI, and I wouldn't have wanted my last one with a different group. We are halfway through the year, but we can't lose focus on what's in front of us.
