# Robertsdale Air Rifle Competition

The Air rifle team competed in an in-person Air Rifle competition hosted in Robertsdale, Alabama! We were able to bring 2 teams which gave many of the newer members a chance to shoot an in-person competition.

Great job to Janeilys Perez-Vazquez for placing 3rd overall in the standing position!

Congratulations to Braden Hodges for shooting the highest score from Pace. He also shot 3rd overall for the kneeling position!

# Preparing for NS1 Drill Meet

Our first year cadets have been working diligently for their first drill meet on April 24th! They will compete in a series of drill and athletic events along with a 100 question academic test. This first drill meet will prepare them for future drill competitions.

We've done a lot of work this month, from preparing for the end of the nine weeks to getting ready for 2 nationals competitions! We are closing in on the end of the year, but we have to keep pushing!
